Office of General Counsel
SUBJECT : Proposed Executive Order Amending E.O. 10973
and Revoking E.O. 11501

Please be advised that the Office of General Counsel has no objection to the proposed Executive Order. It appears to be a simple executive delegation of the authorities contained at P.L. 94-329, the "International Security Assistance and Arms Export Control Act of 1976." As to the substantive provisions of the Order affecting DDO or other directorates, we will defer to them for comment, as we discussed earlier.
